

September 13, 2022: BCES PTO Minutes

### Open House

All flyers are ready to go, Kristina to get balloon, Kasey to make flyer

### Pre-K playdate needs what does PTO do flyer

Discussed having a poll at open house to determine meetings times

- Falls sports make it hard for earlier meetings
- Would like to keep offering the Zoom option

Conclusion: Meetings stay at 6:30 PM

Craig has asked the staff to send one rep from each grade to the meetings

### Directory

- Sheets are coming in

- Everyone from last year just got moved up a grade, but are not assigned a teacher

### Wearable

- 100% online
- We need to tell them what we want for items
- Everything is sent directly to the buyer
- Pre-K and K shirts were ordered
- Will create a Google Doc for the new teachers so they can get shirts with the first order

Sue D can take care of the new teachers gifts

VIP Parking raffle wo be drawn on the 17th; pass good until February break

### Fundraisers

- Fall/Winter fundraiser will be the gift card service
- Agreed that we should also just do a donation ask with every fundraiser we do
  - Recommendation that we do it with the book fair slips as well
- Other future ideas include a color run in the spring

### Book Fair

- Will be done when we do conferences
- The staff would love to see the wish list come back this year
- The teachers want the books on their lists rather than having books chosen for them
- We need to review what they are going to get with Sue and Craig
- We can keep it for a full week

### Trick-Or-Read

- Mr. Vetro recommended a pumpkin carving or decorating contest
- People vote with money...kind of like coin wars
- We can create a flyer and include a QR code for our venmo; put the teacher's name in the comments
- Pumpkins could possibly be donated
  - Alicia King has connection at King's Farm Market
- Winning class gets a pizza party
  - The cafeteria can provide the food
- Tentative date is 10/28
- We would want to create a trophy for the winner!

### Drawing Winner

- Mr. Vetro
- Leann
